Dear Friend:

At the Arlington Community Temporary Shelter, Inc. (TACTS) we have had an exciting and productive new year.

In our last letter to you, we described our plans to open a second home to help alleviate the critical need for additional emergency shelter. We want to share with you the tremendous progress we have made and ask for your assistance in reaching our goal.

On February 8, 1989, TACTS purchased a second home with funds that were made available through grants awarded by the State and County. TACTS completed the purchase after having received permission from Arlington County to use the home as a shelter for as many as 12 persons, thus doubling the number of persons that TACTS will be able to serve.

While these past few months have required renewed spirit and commitment from our directors, staff and volunteers, hard work still lies ahead. We still have to renovate portions of the house, furnish it from top to bottom and hire additional staff to manage and operate the home. We will not be able to do it alone.

Simply put, we need your help. In the past you have contributed generously with your money, time and kind words. We ask you to consider making a contribution either with a monetary gift or by volunteering to undertake many of the tasks essential to maintaining our new household. Please help us by making a contribution or calling to volunteer.

Thank you for your continuing support.

Sincerely,

DDA REGISTRY
